ALUMNI PROFILE: TIM NASH

“Only a Biker knows why a dog sticks his head out the window”

By Josh Terrell #325

TIM GREW UP in the Keene area, Swanzey to be exact, and grew up riding bikes. From his earliest memories he was on a bike with his dad or uncle riding on the gas tank. Currently he loves vintage bikes and restoring them in his shop in Charlottesville Virginia is his passion. Recently Tim completely restored a 1980 Suzuki GS 750 as a special deadline driven project but more about that later.

Tim Graduated High School in 1990 without great direction and found himself working a few different jobs just to get by. After a few years of that he decided he had to make a change and enlisted in the Army and only 3 days after arriving in Colorado received word his father had passed away suddenly at the age of 44. Tim travelled back to Keene on emergency leave to help his mom get the family affairs in order and soon after was sent to Iraq to serve as a combat engineer or “demolition specialist”, one of the most

dangerous jobs in the world. Shortly after leaving the Army, in 1998, he was involved in a brutal car accident. While driving to work like any other day, a pickup truck pulling a trailer pulled out in front of him. Tim slammed on the brakes but it was too late and he smashed head first into the rear panel of the truck and the tongue of the trailer. Hours later when Tim woke up he was facing a stark reality. A reality that no longer included the use of his legs. Tim was a paraplegic. All Tim could think about in that moment was that he “would never be able to ride again” and that his dream of building bikes and working on bikes was over. Five different neuro surgeons concurred that Tim was facing certain disability and would not walk again. Un-deterred, Tim got to work and after 18 months of intensive physical therapy and effort Tim was back on his feet and able to walk. He had beaten the odds and the opinions of multiple doctors.

The year was 2000 when Tim met **Kyle Zawistowski** #544 in Keene. Tim had enrolled at Keene State College the year before and was now 25 years old and ready to put the tough times and struggles behind. Kyle, being a recently initiated member of **Tau Kappa Epsilon** asked Tim if he’d be interested in joining the Fraternity or at least coming to a rush to check it out. Tim reluctantly agreed, afterall, he was 25 years old and pledging a Fraternity at that age after all he’d been through seemed maybe a little ridiculous. Later that semester Tim joined the Fraternity with 19 fellow/future members of Lambda Sigma. Tim Graduated from Keene State in 2003.

Tim encourages anyone interested in a vintage bike build to give him a call. He’s happy to work with you on a new/old bike. TKE themed or not!

A few years ago, with College in the distant rear view mirror, Tim found himself living in Charlottesville, Virginia with his wife Willow and his dog/riding partner Teddy. The furthest thing from his mind was the Fraternity but through the miracle of the internet, social media and the friends he had managed to stay in touch with, he was reconnected

with **TKE**. Not soon after, Alumni Prytanis **Colin Calhoun** #365 started a dialogue with Tim, strangely about their dogs. That conversation soon turned to motorcycles. Colin had discovered that Tim liked to refurbish vintage bikes and was soon contemplating if he wanted one. Colin pulled the trigger and asked Tim what he could do for him. Tim happened to have that Suzuki 750 mentioned earlier sitting in his shop. It was a mess. Basically a complete re-do. Colin told him to go for it, but that he wanted it to be a **TKE themed bike**.

The initial discussion was in early January 2019 and Tim got started. As this was going on, Tim decided that he wanted to attend the 2019 reunion and decided if he was going to drive to Keene for the March 23 reunion, he was going to be trailering this bike with him and delivering it to Colin. The Bike needed a completely new wiring harness including integration with new blinkers which the

original Bike wasn't set up for. He fabricated a custom mount for the seat, installed a new handle bar mount, and completely rebuilt the carburetor. He then overhauled the brakes and did a complete tune up. Not to mention the **TKE themed paint job**. The most difficult part of the project was the wiring harness, but he also needed to custom fabricate an extension in order to make the 4 in 1 exhaust work with the Bike's 2.5 inch tail pipe.

Tim delivered the bike to Colin on March 19th and continued the 500-mile trip from Virginia to Keene just in time for the reunion. He reports that he had a great time at the reunion, was impressed with the direction of the fraternity and was grateful to be reunited with the guys that recruited him, especially **Kyle Zawistowski** and his big brother **Andy Knapp** #553.

CHAPTER NEWSLETTER

SPRING 2019

PHILANTHROPY The **Lambda Sigma** Chapter of **TKE** has had a very successful Spring semester. We have put much effort and focus into the Relay for Life and finished up raising \$1,922. The Relay for Life is an event that raises money for the American Cancer Society and was spearheaded by one man, **Dr. Gordy Klatt**, who in 24 hours, walked 83 miles continuously around a track in Tacoma, WA and raised \$27,000. That effort has turned into a fundraising event held around the world which **TKE** is proud to be a part of. Our effort was highly successful this year and we would like to encourage our alumni to participate in the future if possible.

We also held a very successful **TKE Sweetheart** event that raised \$1815 for St. Jude. Earlier in the year we raised \$1,743 and have a yearly total of \$3,558. We also raised \$485 for Movember which is an organization tackling Men's health issues and \$213 through our **TKE in a Box** event for 100 Nights Homeless Shelter. To finish up the semester we held our annual See-Saw for a chance in support of St. Jude event and raised an additional \$753.

LEADERSHIP In February we sent 3 members to the Regional Leadership Conference in Jersey City, New Jersey. Alumni **Dan Keady** #707 and **Mike Flynn** #654 joined us. We'd like to thank the Alumni Association for making the trip possible for us! Without funding from the Special Projects Fund it would have been difficult to finance the trip. **Tim Brodeur** #735 also attended the Northeast Greek Leadership Associations annual conference.

PHILANTHROPY SCORECARD

St Jude:	\$4,311
Relay for Life:	\$1,922
Movember:	\$485
100 Nights:	\$213

Total Philanthropy Dollars \$6,931

Most in one year since re-founding of the Chapter in 2008

Alumni Frater Keady, with Fraters Hermann, Bolte, and Brodeur spent a weekend becoming better men at TKE's Regional Leadership Conference in Jersey City.

Chris "The Mountain" Hamilton

Tim "Samwell Tarley" Brodeur

The biggest news of the year in terms of leadership is that our very own **Chris Hamilton** #727 and **Tim Brodeur** have been selected as participants for the **TKE Leadership Academy** which will be held May 31st - June 4th in Colorado. This is a great opportunity for Chris, Tim, and the Chapter. Alumni **Dan Keady** is the only other Lambda Sigma Chapter member to ever have been selected. Placing 2 members of the Chapter among only 70 other Tekes from around the country in the academy is tremendous and rarely happens for even the biggest Chapters in **TKE nation**. Congrats Chris and Tim! And thanks to the Alumni Association for helping with their registration costs.

CHAPTER NEWSLETTER

CONTINUED...

GREEK WEEK Recently we competed in the annual Greek Week events at KSC and were crowned champions of the week. This is the 3rd Championship for Lambda Sigma in the last 4 years. We went into the week with a good game plan for each event and took it seriously. It was a lot of fun – especially winning the Flag Football event. (Maybe our Alumni can put in a better showing when we play them in our **Annual Grenade Bowl** on September 21st 2019)

NEW MEMBERS In the Fall Semester we had 3 great guys join the Fraternity. **Sam Leggett** #746, **Matt Donnelly** #747, and **Adrian Bolte** #748 formally joined **Tau Kappa Epsilon**, Lambda Sigma on December 2nd 2018.

This Spring we had the pleasure of 6 future leaders join the Chapter. **Danny Shea** #749, **Jake Egan-Boothroyd** #750, **Dave Myers** #751, **Dan Schulmann** #752, **Liam Mullen** #753 and **Zach Boyle** #754 formally joined the Chapter and **Tau Kappa Epsilon** on April 14th 2019.

2019-20 CHAPTER OFFICERS

ALUMNI CRY SOPHYLOS REPORT

JACK MORRISON #672

Fiscal 2018 Annual Fund Revenue	\$16,482.00
Current Alumni Operations Account Balance	\$7,970.00
Current House Savings Balance	\$5,042.00
Current Revenue Savings + Reserve	\$9,730.00
White/Lessard Scholarship Balance*	\$13,700.00
Ryan Chatel Scholarship Balance*	\$12,850.00
Special Projects Fund*	\$4,061.00

*Denotes funds held and managed by the TKE Educational Fund.

HELP THE TKE LAMBDA SIGMA ALUMNI ASSOCIATION

with a contribution of any size that will support our efforts to find lost Fraters, Publish our Newsletter, Maintain our website, Hold our annual event, and run our Board of Advisors who directly give stability and guidance to our chapter in Keene. By supporting the Alumni Association you will be positively impacting the experience TKE offers our brothers at Keene State. **Visit:** www.LSTKE.com/donate

All Scholarship Funds are held and managed by the TKE Educational Foundation. TKE Educational Foundation is a registered 501(c)3

FINANCIAL REPORT

A look back at our performance in 2018 will show that in our 50th year our Alumni raised \$18,000. Nearly \$16,500 of this was attributed to the Annual Fund with the balance being earmarked for the housing fund by the donors. The donors are always able to decide which area of support is most important to them and make the choice to direct their money to those areas. The Scholarship Funds and the Special Project Funds are tax deductible to the donors. Donations to those areas will go directly to those funds at the **TKE Educational Foundation** which is a registered 501(c)3 not for profit. We would like to remind everyone that our 2019 Annual Fund goal of \$20,000 is the most important area of funding. The Annual Fund is used for funding all Alumni outreach, the Newsletter, The Annual Event, and it also provides all the funding for the Board of Advisors group. We also take a portion of the Annual Fund and move it to the TKE Educational Foundation Scholarships and Leadership Funds. Because of last years success we will be moving \$1,500.00 to the educational foundation and be providing \$3,000 in direct support for the Chapter members headed to Conclave.

Looking ahead to the rest of 2019 and beyond. **Jack Morrison #672** has accepted the position of Crysophylos with a start date of May 1st. Jack has been actively training for the role over the past 3 weeks. Jack has 2+ years experience on the Board of Directors and is very familiar with our operating procedures. Thank You for taking the responsibility Jack!

2019 FINANCIAL SUMMARY

Total 2019 AA Budget - \$14,225.00

Budget Detail

Board of Directors -	\$7,025.00
Board of Advisors -	\$2,700.00
TKE Educational Foundation -	\$4,500.00

BANKING

Current Checking Account Balance:

\$7,970.00

Description: Our Business Checking Account is used for our Fiscal Year Budgeted Spending. This keeps us from mixing funds that are coming in for the Annual Fund. We run a balanced budget. A budget that is built on the previous years fundraising total.

Current Revenue Savings and Reserve:

\$9,730.00

Description: Our Revenue Savings account is where we park the funds that are currently generated and that will be used in creating the next years budget. This is also where we keep money in reserve for emergencies.

Current House Fund Balance:

\$5042.00

Description: The House Fund within the Alumni Association Banking System will be used as start-up money for the Lambda Sigma Housing Corporation. \$10,000 is our goal for this fund which will enable us to split off the Housing Corporation making it a separate legal entity, that will deal **only** with housing and raising the capital for housing.

REUNION RECAP

On the Weekend of March 22-24 we held our annual meeting and reunion in Keene, NH. It was a great success with nearly 100 alumni in town for the weekend. It was great to see many first timers in the crowd including a large number of Fraters from the 1995 - 2001 generation. Additionally we saw the return of six original Founders and several others from the early to mid 70's era.

Frank Sprague #145 & George Graham #202

The Annual Meeting held at the Marriott was an efficient affair lasting only a few minutes over an hour. During the meeting, Prytanis **Colin Calhoun** made the case for the Association's need for more Alumni to come forward as volunteers. Since the reunion, we've had **Joe Gibilisco #442**, **Ben Fredericks #675**, **Tyler Nadwairski**, and **Jim Garrett #638** step forward in either a role on the Board of Directors or as Volunteers on the Board of Advisors. **Frank Sprague #145** has offered to help with outreach to Alumni from the 1970's generation. Thank You Fraters for your willingness to serve the Fraternity!

Every year we give a symbolic award to Fraters who have exhibited lifelong dedication to the Fraternity. This year the winners of the 'Knights of Classic Lore' Award were **Lew Morrison #313**, **Hank Parkhurst #43**, and **Ron Comeau #41**.

Our Scholarship program has continued to grow thanks to your generosity. This years winners of the Scholarships were Tim Brodeur and Adrian Bolte. Both have exhibited great commitment to their academics and equally as leaders in the Chapter.

One of the great moments at reunion this year was seeing the undergraduate Chapter members surrounding **Hank Parkhurst** during the meet and greet. Hank had their attention with stories of the Fraternity. Hank also showed them the sword that he has concealed in his cane which they got a great kick out of.

Hank is our oldest Alumni at age 83 and was featured in our Special Addition Newsletter for May 2018. You can find that story and all of our Newsletters at www.lstke.com/newsletter

Henry "Hank" Parkhurst #43 holding court with the Chapter

Following the meeting, Prytanis **Calhoun**, Fraters **Terrell**, **Knapp**, **Graham**, **Nash**, **Zawistowski**, and **Belluardo** joined Founders **Wally Dwinells**, **Ron Comeau**, **Thom Richard**, and **Barry Osborn** for dinner at Athens Pizza.

Everyone had a great time at Penuches as usual. We had many first time attendees at the reunion from every era of the Fraternity. We thank you for coming and hope to see you next year.

We raised over \$4,000 at the reunion this year which was a great accomplishment but still have much work ahead of us as we try to reach our Annual Fund goal for 2019 of \$20,000.

Next year we will be pushing the reunion out one week to **March 28th 2020**. We will be bringing back the Alumni Dinner which will be open to any and all alumni. Tickets will be sold for this event starting in late 2019. We will also be switching up the format of the meeting slightly with the focus for 2020 being housing our chapter. Let's make next year the largest Lambda Sigma TKE gathering ever!

CALENDAR OF UPCOMING EVENTS

2019 TKE LS Chapter/Board of Advisors Meetings

9:00pm EST
 May 7 • June 4 • July 2
 Aug. 6 • Sept. 3 • Oct. 1
 Nov. 5 • Dec. 3

2019 TKE LS AA Board of Directors Meetings

9:00pm EST
 May 15 • June 12 • July 10
 Aug. 14 • Sept. 11
 Oct. 9 • Nov. 13 • Dec. 11

*All Meetings held on **Go To Meeting**

May 11, 2019 KSC Commencement Ceremony
 May 31, 2019 TKE Educational Foundation Contribution deadline

SCHOLARSHIP REPORT

JOSH TERRELL #325

One of the primary reasons for organizing our Alumni Association was to create a way to develop funds that would go to supporting the Chapter in the form of Scholarships. Additionally, we recognized a need for funds to assist Chapter members who were planning to attend any of the Leadership Development conferences sponsored by Headquarters. All Scholarship and Leadership Training Funds are held and managed at the **TKE Educational Foundation**.

Your generosity has enabled the Association to move over \$32,000 over the past 10 years to these funds which in turn has provided \$1,750 in Scholarships paid to **Lambda Sigma** members and has also provided \$5,200 in financial assistance to students attending the Regional Leadership Conference and/or conclave.

Our current balances of the Scholarships and Leadership Fund

White/Lessard President's Memorial Award	\$13,700
Ryan Chatel Chapter Scholarship	\$12,850
Special Projects/Leadership Fund	\$4,061

Your willingness to provide funding for these awards has made a difference at the Chapter. We continue to have the best alumni funded Scholarship Program of any Greek organization at Keene State College. Our Program continues to grow and in August of this year will be funding the conclave registration fees for 3 Students and 1 Alumni from the Board of Advisors. In August they will attend the Conclave and vote on issues concerning our Fraternity and bring back valuable knowledge and leadership skills to **Lambda Sigma**.

THANK YOU ALUMNI OF TKE LAMBDA SIGMA FOR STEPPING UP AND MAKING A DIFFERENCE!

Pictured right: White/Lessard Winner, Frater **Tim Brodeur**
 Pictured left: Ryan Chatel Winner, Frater **Adrian Bolte**

CHAPTER ETERNAL If you visit www.lstke.com you will find a link to our Chapter Eternal. The place we memorialize our departed Fraters. This ongoing project is very important and we are in need of your help. If you know of a fellow Frater who has passed away and have information that will help us update our records please email admin@lstke.com

Our History is extremely important to the Chapter and our Alumni. We are building a digital archive for the enjoyment of our alumni and the education of our current chapter members. You can help us do that by sending us pictures at admin@lstke.com

62 HEMLOCK ROAD
SOUTH SALEM, NY 10590

The purpose of this Association shall be to serve the Alumni of Tau Kappa Epsilon, Lambda Sigma Chapter of Keene State College, to perpetuate the ideals, friendships, and Brotherhood formed there, by providing opportunities to establish beneficial relations and communications between current and future alumni. To preserve, care take, and promote the history, lore, traditions, artifacts, and institutional memory of Tau Kappa Epsilon, Lambda Sigma Chapter, at Keene State College, and to continue our good work in the areas of charitable donations and scholarship funding to the undergraduate chapter.
